

DEAR FRIENDS OF TLAFRICA,

December 2022

Greetings and Blessings to you and your loved ones in this season of celebration of our Saviour's birth!

We want to keep informing you of all the good news from TLAfrica. First, a word from Faustin: "At Thanksgiving time, Salome and I enjoyed talking to Malaika, our 3 year old granddaughter! She sang for us and our day was made! And another great blessing was this: Today we visited the site of our Conference Center and THIU main building, and the sky was clear, so the three volcanoes were all visible. Gorgeous view! I had gone to see the amazing progress: Tiles are being laid! Wall tiles are going up in the bathrooms. All other rooms will have floor tiles. Also, plumbing is installed and water is flowing! The upper floor is mostly finished and soon the main floor will be done as well."

Thank you for your encouragement and prayers! Recently, the proposed Vice Chancellor of THIU Project Dr. Matthew Sommons visited us and saw the progress first hand. You may hear what Matthew said about the building project. Please use this link: https://drive.google.com/file/d/1D4ei7FXT3PSNrw6xIOvLhyyZB6y9dLtx/view?usp=share_link

We are still trusting God to provide the funds to finish key final touches—the water tower, the generator and generator enclosure, the parking area, the access road, and landscaping are the main priorities. We are asking our local churches to contribute to the furnishings such as desks, tables and chairs, beds, etc. Will you help us?

Donations may be mailed to TLAfrica, P.O. Box 1626, La Mirada CA, 90637 or you may donate online at TLAfrica.org/donate.

*For the glory of our Lord Jesus Christ and the
building up of His church through Transformational Leadership*
